Subject Re: APRIL 18 OAZ COST RECOVERY BILL

Thanks, Maggie. Please also review my 2/28 e-mail, because some of my recommended changes weren't made in the final bill, either.

Since we issued the UAO the same day as the AOC, I think that the billing period would be the same as the AOC. However, I'm not sure how we're handling cost recovery under the UAO.

Tom, if we're going to send out a similar bill to XTRA as we did to Blue Tee under the AOC, we need to segregate UAO costs. We already did that in our 2/28 e-mails.

Maggie, for my UAO costs, please refer to point #4 in my 2/28 e-mail. For FY 05, here are my UAO hours:

PP14: 4 hours

PP16: 1 hour

PP17: 1 hour

PP18: 1 + 1 = 2 hours

PP19: 1 + 7 = 8 hours

PP21: 1 hour

Other SFD personnel spent a small amount of time reviewing the draft UAO, but I don't think it's worth my effort to identify those hours. I'd probably spend as many hours figuring it out as the hours they worked on the UAO.

Subject Re: APRIL 18 OAZ COST RECOVERY BILL

Hi Ron, Sorry , I found the email from Tom dated 2/28/2006 with some changes to this bill. I will do all the changes this week and send it to you and Tom for review and later send a revised bill immediately. Regarding the UAO V-W-05-C-819 ,what will be the period of time covering, we do not want to overlap the same period of time . Let me know the period of time. In the future when some mayor changes occurred, I will send a second draft for review.

Subject APRIL 18 OAZ COST RECOVERY BILL

Maggie, I checked the subject bill, and there were a number of changes identified by Tom Turner and me in our February 28 e-mails to you that were not made. As an example, Tom recommended that Doug Dixon's (of HQ) hours be charged to the UAO and not included in the subject bill. However, these 12.5 hours are in the final bill.

Please review Tom's and my e-mails to see what hours should be changed in the April 18 bill. I suggest we send out a revised bill after the changes are made. I also suggest that you notify the recipient of the bill that a revised version is coming, and that the 45-day clock will restart.

In the future, where there are more than a few small changes needed, your office should send a revised draft of the bill to the attorney and RPM for review before mailing the final version.

I'm sure Tom and I would be happy to sit down with you to clarify the e-mails. I may be on leave the rest of the week, so my availability for this week is limited.

Thanks.
